

David H Ponitz Career Technology Center

741 Washington Street * Dayton, Ohio 45402
Phone 937-542-7180 * Fax 937-542-7181

Dear Families, Parents, Guardians, Friends and Students,

On behalf of the entire staff, we would like to welcome our school students to Ponitz Career Technology Center. It is my honor to serve as your principal for the 2019-2020 school year. I look forward to working together and having a rewarding school year.

I am excited to meet new faces, revisit with familiar ones, and hear your stories about your summer adventures and work experiences. For those of you who have not yet met me, I have been with Dayton Public Schools since 2010 and in administration for the last six years at Stivers School for the Arts and Meadowdale High School. I look forward to getting to know each of you.

I believe David H. Ponitz Career Technology Center has so much to offer our students and our community. In conjunction with teachers and staff, we will advance the legacy of CTE achievement and we will continue to build strong relationships with students and families. It is our goal that students are academically challenged and career focused, to ensure success in the future.

Students and families can look forward to a year full of activities and athletics. I hope each one of our students chooses to get involved in an activity and/or athletic team. As the school year starts, you should receive a syllabus from teachers that will include information about course/pathway fees. Students who have previously attended the College Credit Plus (CCP) meetings and met the requirements will be eligible to take CCP classes.

I am enclosing the bell schedule, district calendar, and uniform information (10th – 12th grade) for students and families to review.

We are eager and excited to begin an outstanding year at David H. Ponitz Career Technology Center.

Educationally Yours,

Melinda Clark
