IMPORTANT UNIFORM INFO

We believe the uniform policy will accomplish the following

- Foster a sense of school identity and community.
- Prepare scholars for the expectation related to professional attire that future organizations, institutions of higher learning and employers will have.
- Ensure that our scholars focus on learning instead of clothing.
- Increase school safety and security by making the presence of visitors/outside immediately apparent.
- Reduce the cost of clothing for families.

As always, we ask for your support in making our school a model school where learning is our students' primary purpose. Students with uniform violations will be sent to the office to correct their uniforms. Students are expected to remain in uniform all day long. Together we can create the **PONITZ LEARNING ZONE!**
